## Queenst'n Pioneer William Osler Dies in Vancouver

An early resident of the Queenstown district, William Osler recently at Vancouver.

Born in Scotland 81 years ago, Mr. Osler came to Canada around 1910, returning to serve with the British Forces during World War I. Following the Armistice he returned to his farm east of Queenstown. He was active in municipal affairs and also an active member of the Gleichen Branch Royal Canadian Legion until 1942 when he left the district and moved to Vancouver where he was employed in the West Coast Shipyards until his retirement.

Mr. Osler passed away March 24 at his residence in Vancouver following a brief illness. He was predeceased by his wife, Ann, in 1964, and is survived by one son, William E. of North Surrey, B.C., and two daughters, Mrs. J. H. (Janetta) Northcott of Milo and Mrs. K. G. (Kathleen) Twiltes of Vancouver, B.C.

Funeral services were conducted by Rev. R. S. M. Kennedy from the Chapel of Chimes with interment in Forest Lawn Memorial Park, Vancouver.

## Road Construction Contingency Grant Is Increased

Raymond A. Speaker, MLA, has been advised by the Honorable Gordon E. Taylor, Minister of Highways, that the Department of Highways will be able to contribute a further \$10,000 to the County of Vulcan, towards the contingency roads appropriation for the fiscal year 1966-67.

The provincial contingency grant initially approved for the county was in the amount of \$75,000.

This provincial grant is applied to the total cost of the contingency road project of the County of Vulcan, which is \$134,619.72.

### THE WEATHER

Dust and debris, the products of a long winter, now face townspeople as most of the snow and water has disappeared from streets. Unsettled weather has been prevalent for the past several days but following a heavy fog Tuesday night, Wednesday was clear and sunny indicating more spring-like conditions.

## Norman Pettie President Golf & Country Club

Norman Pettie, a member of the club's executive committee for several years, was elected president of the Vulcan Golf & Country Club at the annual meeting held recently. He succeeds C. E. Fulton, president for the past two years.

Other officers elected are Mel Jordan, first vice-president; Frank Fletcher, second vice-president; C. E. Fulton, treasurer; Norman Bucholtz, secretary. Directors are Richard Hammer, Bud Haverty and Bob Petrosky. Ron Buehler is honorary president.

Committee chairmen are: Grounds—Frank Fletcher, tournaments and publicity—Bud Haverty, membership and finance—C. E. Fulton, house—Mel Jordan.

Although some early bird golfers have already been out on the course, the club house will not officially open until near the end of the month. The heavy rains of

## Champion Resident Named Queen Of Flying Farmers

Mrs. Mary Bjornson of Champion was named queen of the Alberta Flying Farmers at that organization's annual convention held in Edmonton last weekend.

Her husband, Ken Bjornson, was elected a director of the association and Ralph Vold of Ponoka was elected president.

BLESSED EVENT. Drs. Everett Hill and Ken Orchard of the Vulcan Animal Clinic were on the go most of the recent calving season but two of the most unusual deliveries under their care were the Siamese twin calves born to a Hereford cow and the Charolais bull calf, shown above with his two-year-old mother.

The cow is owned by Ivan Ohler who has land in the Carmangay district and runs his

Charolais spread near Claresholm. One of 100 head imported from France in 1966 and bought during May, this cow was bred by an Ohler bull and because of the value of the mother and possible future worth of the calf the cow was brought to the clinic. After eight days of babysitting the vets delivered a 127-pound calf. The average weight of a Charolais calf is about 112 pounds while Herefords run around 80 pounds.

Mr. Ohler, Past President of the Canadian Charolais Association and member of the World Federation of Charolais Associations, was unable to estimate the value of the calf but a similar one sold for \$45,000 in the U.S. Mr. Ohler expects to sell this calf at a Calgary sale in July.

Another shipment of 215 head of French Charolais stock is expected this spring and Mr. Ohler will receive two heifers.

### County Council

## Teacher Housing Shortage Discussed, County Meeting

The regular March meeting of the County of Vulcan Council was presided by Reeve Jack Deitz. In attendance were Councillors F. E. Hubka, A. W. Ulrich, Ivan Haga, R. S. Irwin, Earl Erickson, E. W. Prater, F. N. Thurber, D. A. McNiven and A. McAllister, and Secretary-treas. D. D. McQueen.

C. G. Ness, Mayor of the Town of Vulcan, attended the meeting at the request of the Council to discuss the matter of housing in Vulcan. The principal concern of the County Council is providing suitable housing for teachers who are accepting positions in Vulcan. It was noted that there were approximately 50 teachers employed in Vulcan and that a great many of these, in fact 90%, required suitable housing which was very

scarce and practically unavailable. The County of Vulcan had to spend capital funds last year to the value of \$50,000 to provide some housing, and it was likely that there would be more expenditure this year. Mr. Ness agreed that the situation was very serious and that the town council had passed a motion to make more land available for housing projects. A letter from the Secretary-Treasurer of the Town of Claresholm, enquiring about the sale of hangars from the airfield was read. The Secretary was instructed to answer the letter advising that the County was not in a position to sell any of the hangars at this time, but it might be in a position later on and would be interested in receiving an offer for a hangar.

Morris Kerr of Stevenson and Partners, Architects, presented to the Council a layout of the plans for furniture for the new addition. After considering the furniture and the prices quoted, it was decided that the recommendation of Stevenson and Partners be approved, and it was moved and carried that the order for the new furniture in the sum of \$14,991.99, be approved.

It was moved and carried that a new telephone system known as the PABX 5-20 be installed in the new office building.

By-Law No. 608, a by-law of the County of Vulcan No. 2 to authorize the application for a line of credit and borrowing from the Treasury Branch, Vulcan, in the sum of \$500,000 as a revolving credit to \$1,000,000 was introduced and read, and passed the required three times.

It was moved and carried that the application of Douglas B. (Continued On Page 7)

## Guest Night At Women's Society

A guest Women's Society of World Service Group, from Calgary Centre St. Church, along with local guests, fellowshipped with the EUB ladies, Wednesday, April 5, in the church parlors. A total of 45 were present. A devotional talk was given by Mrs. Williams of Ensign. Special music was supplied by visitors as well as local women.

A short report was given by the delegate of the WSW Convention which was held in Winnipeg. A play, presented at the convention, by the Calgary women, was repeated for the group here. To get acquainted better, hymn titles, written on slips of paper, then cut in half, were passed out, one half to a guest and the other half to a local lady. These two were partners for a lovely lunch, prepared and served by the local women.

## Card Party Held At Lodge Hall

Twenty tables of patrons turned out for the March 29th Lodge Hall card party to enjoy a social evening and help in the upkeep of the building.

The \$35 door prize was won by Muriel Graham while the \$15 door prize went to Max Jesse. Winner's names were drawn by Sherle Mainland and Norma Rushfelt.

Results of the card games follow: High whist, (lady) M. Anderson; low, E. MacMillan; High "500", (lady) Mabel Gooch; low, Marg Hanna. High bridge, (lady) June Wellman; low, Viv Hanna. High whist (man) E. A. Anderson; low, D. Montgomery. High "500", (man) S. Johnson; low, Stan Kehr. High bridge, (man) B. Brown; low, A. Sinclair.

### Town Council Meets

## Reduce Price of Town Lots To Encourage Home Building

Ways and means of encouraging additional home building in Vulcan were discussed at the March 28 meeting of the Vulcan town council. A motion was passed reducing the price of fully serviced lots in the Robson sub-division to \$15 per frontage foot and in the Memorial Drive area to \$20 per frontage foot.

Representatives of Jager Homes Ltd. of Calgary attended the meeting and discussed the development of the two town sub-divisions. They informed council that federal loan regulations now provide that prospective home builders must individually apply for housing loans after purchasing their lots. The Jager company is willing to advise and assist prospective home owners in securing housing loans.

Council was advised that the Vulcan Fire Department has been awarded a Certificate of Merit for

the sixth consecutive year, receiving honorable mention in Class F. The awards are based on efficiency of the department, fire prevention work and fire losses.

Councillor J. M. Wolfe was ap-

pointed deputy-mayor for the months of April, May and June.

Council authorized the purchase of a gravel dump truck from Wheat Centre Motors at a cost of \$2,500 plus trade-in.

### 87 Projects In Alberta

## Arda Progress Reviewed At Vulcan C of C Meeting

Fifty-one farmers and businessmen, the largest turnout at a monthly meeting of the Vulcan District Chamber of Commerce, listened with interest to E. Burke Nagle, Liaison and Public Relations Officer of ARDA (Agricultural and Rural Development Act) as he advised on the progress made by ARDA since its inception in 1961 to the present time. The entire business portion of the supper meeting was given over to this subject.

Mr. Nagle demonstrated by a flannelboard presentation the fruitfulness of the major farming area studies. He showed how research and social action on the part of the people paved the way for land clearing policies, land assembly, land reclamation, soil and water conservation, irrigation development, recreation and tourism, leadership training, FU and CDA projects and extension programs.

Summarizing the benefit-costs of these projects, since the inception of ARDA, Mr. Nagle indicated that under the 1962-65 agreement, 40 projects have been approved for a total cost of \$6.8 million, with the federal share \$2.6 million. With respect to the new agreement (1965-70), 47 projects have been approved for a total of \$10.6 million, with the federal share \$4.7 million. Projects awaiting federal approval under the 1965-70 agreement amount to \$5.4 million of which federal ARDA would pay \$2.5 million.

Mr. Nagle wrapped up his summary by indicating that 87 projects have been approved in Alberta to date for a total expenditure of \$16 million, with federal

participation amounting to \$7.2 million.

He then gave a flannelboard demonstration on the social action process. At a general level, Mr. Nagle said, social action may be understood as the process whereby needs are determined or defined, and resources delineated, motivated and organized towards a goal. To aid in more clearly understanding this process three main categories of concepts and related research data were discussed by Mr. Nagle.

According to Mr. Nagle, the three categories are: 1) the persons involved; 2) the social system involved; 3) the stages or flow of the social action.

Mr. Nagle went on to state that the social action process would prove to be very valuable for precise understanding and action towards goal attainment by Chambers of Commerce and community action groups. He stressed further that this process would give action leaders a greater insight into resources needed and potentially available, the time flow function that needs to be performed, and how the resources of people and social systems can be combined for the efficient accomplishment of all social action goals.

Chamber president Allan McAskle thanked Mr. Nagle for his address and before closing the meeting, announced that a Centennial meeting of all county delegates is planned for April 27, at 8:00 p.m. in the United Church basement. This will be one of the final get-togethers before the Centennial Caravan's visit to Vulcan on May 22.

## New Vulcan Treasury Branch Building To Cost \$79,800

Raymond A. Speaker, MLA, has been informed by the Honorable F. C. Colborne, Minister of Public Works, that the contract for the

erection and completion of a Treasury Branch, Vulcan, has been awarded to Jason Construction Ltd., Calgary, for the sum of

\$79,800. Other prices on the work were received from the following: Eric R. French & Sons Ltd., \$87,073; Larwill Construction Company Ltd., \$87,774; Arias (Spanish) Construction Ltd., \$90,633; Dumford Construction Ltd., \$91,239; Fort Construction Company Limited, \$94,226; Glen Little Construction Ltd., \$96,800; Commonwealth Construction Company Limited, \$97,531.

The photo shows progress on demolition of the old Carson building which is contracted by Vulcan S. and S. Concrete Ltd. Work on this phase began Monday, April 3 and Monday of this week the crew began tearing down the former Treasury Branch. Meanwhile it is banking as usual in the temporary premises at the "Toyland" building, next to Wolfe's Hardware, where Wally Taylor and his staff will be housed until completion of their new headquarters.

## Fish & Game Plans Annual Dance

This Friday's dance at the Armouries, for members and guests of Vulcan and District Fish & Game, received considerable attention as sportsmen and ladies gathered for the April 5 meeting.

Only a few invitations remain to be picked up by members and it is expected this experiment in Fish & Game activities will be well attended. In previous years the annual celebration by this group consisted of a banquet, program and presentation of trophies. However this season a complete evening was devoted to trophies and the coming dance replaces the banquet.

A one-day Junior Pike Derby picnic will be held this year instead of the week-long derby, sponsored by Fish & Game in other years. To be held at Lake

McGregor sometime in June, it is hoped this event will be a family affair with everyone gathering at one general location

along the lake and taking part in other sports activities additional to the derby.

Membership chairman Howie

Sixty-five children were in attendance when the Vulcan and District Fish and Game Association held its annual Kid's Night at the Vulcan Lodge Hall.

Door prize winners were Desmond King and Sherry Mossing.

During the evening five films, with subjects aimed at the youthful audience, were shown. Interspersed with the films were a number of draws won by the following, Deanna Hutton, Brian Burgess, Louise Findlay, Beverley Burgess,

Marshman had an optimistic report from his department that revealed a total of 325 members thus far in this young season.

With 90 of these memberships being in the "new" category the goal of 500 for this year's membership is considered a good possibility.

Last year's final membership stood at 386. Sportsmen are urged to obtain memberships promptly to be eligible for trophy competition in any of 14 categories and to protect themselves with the insurance coverage that goes with local memberships.

Good news to local anglers came with the report from Dave Ruark that government stocking of his lake will take place in the near future. The lake, located on the

**NEW CABIN CRUISER.** A tightened screw here—a lick of paint there—the prototype of the new British OC.25 cabin cruiser was brought into top condition at a shipyard in southern England, ready for its installation at the International Boat Show at Earls Court, London earlier this year. Made almost entirely from wood,

this cruiser is 25 feet long, has a beam of 9 feet 6 inches and a draft of 2 feet 3 inches. The stateroom has two bunks, both with foam latex mattresses, and the saloon has a dinette on the port side that converts into a double berth. The galley is fitted with a Calor gas hotplate, sink and drainer, tap-type pump, plate racks, cupboard,

electric light and deck ventilator. The toilet is fitted with a patent under-water-line type W.C. and a wash basin with a mirror above. Single or twin 110 horse-power outboard drive motors are available to owner's choice. Two 40-gallon fuel tanks are incorporated for the twin and one 30-gallon for the single screw.

### SPRING SOIL SAMPLING

Farmers wishing to take advantage of the Alberta soil testing service this spring would be well advised to send their samples as early as possible.

According to D. H. Laverty who is supervisor of soil testing, spring often sees a large number of samples coming in for testing. He says that the lab can process about 1000 samples per week and if farmers want their results back in time for use this spring, they should take their samples as soon as the soil is dry and mail them immediately. He points out that quite accurate estimates of the amount of fertilizer that should be applied with this year's crop can be made through the use of soil tests and it is better to know how much if any nitrogen or phosphorus should be added to the soil rather than simply guessing. Fertilizer requirements may vary considerably from field to field and from year to year and this fact makes annual soil testing a very advisable practice. He says that soil tests can also be useful in helping to discover what is wrong in any of the problem areas that may exist on the farm. In conclusion he points out that soil tests only cost 50c per sample and at this cost the farmer can scarcely afford not to take soil tests. Soil sample kits are available from the office here in Vulcan.

### PRUNING DEMONSTRATION

Because of the interest in last year's pruning demonstration, we've scheduled another for Monday, April 17th, at 1:30 p.m. in the Vulcan Golf Club House. Quite a mouth full, but you know where I mean.

We'll be looking forward for a large crowd and a warm day. Town folks are certainly welcome to attend.

## DISTRICT NEWS

FROM OUR CORRESPONDENTS

## ARMADA

Randy and Jackie Beagle were patients in the Vulcan Hospital during the holidays where they both had their tonsils removed.

Sheila and Charlean Lucas and Miss Judy Fitzsimmons of Calgary spent their Easter holidays at the home of Mr. and Mrs. Gordon Lucas. Charlean had her holidays somewhat interrupted when she underwent an emergency operation a week ago Saturday. Her many friends wish her a speedy recovery.

Mr. and Mrs. Ross Grenier and boys moved to Mossleigh during the Easter holidays when Ross was transferred to the U.G.G. elevator there. Mr. Olhaiser of Parkland will take over the duties of agent at the elevator at Armada. We welcome him to the Armada district.

I'd like to take this opportunity to welcome Mr. and Mrs. Christensen to the Armada district also. Mr. Christensen is the new elevator agent.

Garry Marks has taken over the van route which was formerly held by Ross Grenier.

Mr. and Mrs. Clifford Beckner and Marilyn Magnuson of Calgary were Easter guests at the home of their parents, Mr. and Mrs. Melvin Magnuson.

Deepest sympathy is being extended to the Fred Crawford family on the loss of their son, Stanley.

Mr. and Mrs. Art Marks, Doug and Patty accompanied by Douglas Lee motored to Brooks on Monday where they attended funeral rites for Stanley Crawford.

Allan Craine spent the Easter holidays at the home of his parents, Mr. and Mrs. Herb Craine, returning to the school at Red Deer on Sunday.

Mr. and Mrs. Art Marks and family and John Orsten of Enchant were Easter Sunday guests at the home of Mr. and Mrs. Henry Lindstedt of Lomond.

Miss Myrna Marks spent a few days at the home of Mr. and Mrs. S. Orsten of Enchant during the holidays.

Mrs. Harriet Chambers and family of Calgary spent the Easter holidays at the home of Mrs. Amy Stokes. Mr. and Mrs. Richard Thurlow and son of Calgary were guests at the Stokes home also.

Mrs. Betty Stokes, Jerry and Deanna recently spent a few days at the home of Mr. and Mrs. Elmer Vannatta of Milo while Betty assisted her mother with her spring cleaning.

Mrs. Herman of Calgary was an Easter guest at the home of her son-in-law and daughter, Mr. and Mrs. Raymond Beagle.

Rueben Boe is spending a month with his brother, Harvey.

Mr. and Mrs. Arnold Boe and family motored to Calgary on Thursday to visit the latter's father, Mr. Tyler, who is a patient at

the Colonel Beicher hospital. Mrs. Amy Stokes cared for her grandson, Chad, infant son of Mr. and Mrs. Richard Thurlow of Calgary for a few days last week.

Mr. and Mrs. Maurice Henrickson and family were Calgary visitors on Tuesday.

Mr. and Mrs. Melvin Magnuson and family spent a few days in Calgary last week.

Miss Myrna Marks of Milo spent the Easter holidays at the home of her parents, Mr. and Mrs. Art Marks.

Miss Brenda Magnuson entertained several of her girlfriends at a pajama party at her home on Saturday night.

Curriers of the district and their friends enjoyed a get-together and social evening at the Lomond Recreational Centre on Saturday evening bringing the curling season to an end for this year.

Get well wishes are being extended to Bob Stokes who is a patient at the Vulcan Hospital. Mrs. Betty Stokes and family motored to Vulcan on Thursday and Friday to visit her husband and where her children had dental appointments.

Vicki, Debbie and Patty Chambers spent their Easter holidays visiting their grandparents, Mr. and Mrs. M. Magella at Lethbridge.

Mrs. Mary Chambers and Helen Anne accompanied Mrs. Eileen Meyers to Calgary on Tuesday.

Mr. and Mrs. Raymond Beagle and boys accompanied by Mrs. Herman motored to Calgary on Tuesday. Mrs. Herman who was visiting at the Beagle home remained at her home in the city.

Leonard Stokes and Jackie Stannard of High River spent several days at the farm last week.

Mrs. Annie Marks and Debbie spent several days in Calgary visiting the former's mother, Mrs. Long. Roddy and Leslie Marks visited at the home of their uncle and aunt, Mr. and Mrs. Jack Long of Queenstown.

Mrs. Gwen Marks and family of Wetaskiwin spent a few days visiting relatives in the district.

Mrs. Leonard Stokes of High River was a visitor at the home of Mrs. and Mrs. Bob Stokes on Sunday.

Mr. and Mrs. Stan Marks and family and Mr. and Mrs. Allan Chambers were Lethbridge visitors last week.

Mr. and Mrs. Art Marks and family were Calgary visitors on Thursday.

Miss Patty Marks was an overnight guest of Miss Muriel Jean Black of Milo on Friday.

Mr. and Mrs. Stencil Chambers

THE BARON. Steve Forrest (above) stars in the title role in The Baron, a color drama series on the CBC-TV network. He plays the part of an antique dealer-cum-undercover-agent, an American living in London, England. Co-star Sue Lloyd (left) is The Baron's comely assistant Cordelia.

motored to Calgary on Monday.

Lethbridge visitors on Monday included Mr. and Mrs. Gordon Lucas, Mr. and Mrs. Bill Lucas, Mrs. Dorothy Henrickson and Stan.

Miss Charlean Lucas will return home from the Vulcan hospital on Tuesday where she has been a patient for the last week.

My apologies for the absence of the local news from the district during the past few weeks but it is a rather hard task to submit the happenings without the cooperation of the residents of the district. It would be very much appreciated if everyone would phone their news items in and I would be glad to use them.

The United Church in Armada recently received a letter of gratitude from W. Ediger of Portage La Prairie for the used stamps which the church group collected and sent to him. These stamps are used by the mentally retarded.

## LOMOND

## 25th ANNIVERSARY

On Sunday, April 2 a Silver Wedding Anniversary celebration was held at the Enchant Hall, honoring Mr. and Mrs. Floyd Howg.

A program was presented with Marvin Goughner as master of ceremonies. Numerous songs and readings were on the agenda and were much enjoyed. Gerald Snider presented the honored guests with a number of lovely gifts from their many friends both near and far away. A lovely buffet lunch was provided by the local ladies of Enchant and district.

Sunday evening open house was held at the home of Mr. and Mrs. Howg. Despite the mud a good many friends attended, although no count was taken, the old house on the hill was filled to overflowing and a most pleasant evening was enjoyed by all.

## LIONS CHARTER NIGHT

The Lomond Lions Club held their 12th Annual Charter Night on Friday evening, March 17th. A delicious banquet prepared by the Lions wives was capably served by the members of the 4-H Buttons and Bows Sewing Club to the 131 Lions and Ladies in attendance.

Seated at the head table were the District Governor Lion Martin Erickson and wife Mollie of Great Falls, Montana; Zone Chairman Lion Leigh Williams and wife Myrtle of Arrowwood; International Counsellor Lion Al Horner and wife Felicite of Cootts; Lion President Smokey Jones and wife Leona; Past President Ralph Chap-

man and wife May; Mayor Pete Stokes and wife Vera. Other distinguished guests attending were International Counsellor Lion Karl Nutter and wife Edna of Sweetgrass, Montana.

Visiting Clubs were in attendance from Arrowwood, Milo, Vulcan, Mossleigh, Champion and Carman-gay.

Following the banquet, speeches and presentations dancing to Fraser's orchestra was much enjoyed by all. Lunch was served after the dance to conclude another pleasant charter night.

## MOSSLEIGH

## Mossleigh Multi-Project Club

The regular meeting of the Mossleigh Multi-Project Club was held on March 15 in the Mossleigh hall clubroom. New business discussed included where to go for tours. It was decided that the club would visit Western Co-op Fertilizer, Robin Nodwell and Alpha Dairy. It was also decided that the members would get together at a later date to make dividers for Achievement Day. Meeting was then adjourned and lunch was served. Entertainment consisted of a debate grain crop vs. hay crop.

On March 28 the club toured Western Co-op Fertilizer Robin Nodwell and Alpha Dairy. At Western the club was shown the production, drying and bagging of nitrogen pellets. At Robin Nodwell the members were shown how different parts are made for hydraulic jacks and front-end loaders. Also the parts being made for their tracked vehicles. At Alpha Dairy members saw the production of cottage cheese, milk, ice cream and butter.

On April 1st the annual judging competition was held at Jack Ward's farm, Arrowwood. There was a very good turn out of members from all the clubs. Mr. McGillivray was the judge and mothers of the members served lunch.

## Housing Shortage

A step that should help to some extent in easing the chronic housing shortage in Vulcan has been taken by the town council in reducing the cost of building lots in the Robson and Memorial Drive subdivisions. The prices now in effect of \$15 per frontage foot in the Robson sub-division and \$20 per frontage foot on Memorial Drive brings the price of fully serviced 60-ft. and 75-ft. residential lots down to a figure that should be within the reach of anyone contemplating the building of a new house.

The biggest barrier to increased house-building in towns such as Vulcan is still the amount of cash required to buy a lot and pay the difference between the mortgage value of the house and the actual cost of construction. In the cities, a new house can be acquired for a considerably smaller initial investment.

The shortage of housing for teachers will only be indirectly improved by any spurt in housing construction here. Teachers, in what is largely a transient profession, hesitate to buy or build a home in a town unless they have decided they are going to stay in that town for at least several years. Few, if any, one-family dwellings are built here expressly for rental purposes. If a family builds a new home, this may release another home for rental or purchase but this is usually the older type of home and not too desirable.

The building of a good six- or eight-suite apartment block in Vulcan by private enterprise would help considerably in easing the housing shortage here and should be a good investment. The tight mortgage money situation of the past few years discouraged two or three people who had an apartment project in mind, but with some easing of mortgage money now in view there may be some new action in this field.

## CARDS OF THANKS

Many thanks to Dr. Kozio, Drs. John and Jill Lakins, all the nurses and staff of the Vulcan Hospital for the wonderful care. I received following my surgery. Also for the flowers, gifts and cards which were greatly appreciated. A special thanks to Vic and Elsie Earl who cared for Marianne and the wonderful friends and neighbors who brought cakes, etc., to the house. Ed and the boys certainly appreciated your thoughtfulness.

—Cecile Emelson,  
Lomond, Alta. 36-1x

Sincere thanks and appreciation to my relatives and friends for cards, phone calls, flowers and visits during my lengthy stay in the St. Michael's Hospital. I am now a patient in the Lethbridge Auxiliary Hospital.

—Peter McIntyre. 36-1p

We would like to thank all our many friends and relatives who attended our open house on the occasion of our 25th wedding anniversary and helped to make our party a success. Also thanks for the good wishes, lovely gifts and beautiful cards which we received.

—Floyd and Rose Howg. 1-p

The St. John's Anglican Guild of Lomond wish to thank all those who contributed food and to those who so kindly helped, both in the reception room and kitchen for the wedding of Mr. and Mrs. Gary Marks. It was very much appreciated.

—Guild Secretary. 36-1x

We would like to thank everyone who helped make our 25th anniversary such a happy occasion. Thank you for all the lovely gifts and the community purse. A special thanks to all our Carman-gay friends who came to visit us.

—Florence and Mel McLeod. 36-1p

I wish to sincerely thank all those who so kindly remembered me during my recent illness.

Mrs. Weldon Greenlee. 1-x

We wish to take this opportunity to thank all our friends of the Arrowwood district who had a part in the gift we received. We sincerely appreciate your thoughtfulness.

—Dennis and Ruth Burris,  
Muskegan, Mich. USA. 1-p

We wish to express our sincere thanks for the many expressions of sympathy received during our recent bereavement. Special thanks to the ladies who served lunch after the service.

—Russell Castor and Mrs. Peter Godley and family. 1-p

## IN MEMORIAM

TODD—In loving memory of our dear father and grandfather Will, who passed away April 7; mother and grandmother Jenny, who passed away Aug. 6, 1960.

Just a token of loving remembrance,  
To our folks who were one of the best.

The joys that they missed on life's highway  
May they find in God's garden of rest.

—Ever remembered and sadly missed by daughters Zella, Elsie, Marguerite, Winnie and families. 36-1p

SANDE—In loving memory of a dear husband, Olaf (O.T.) who passed away April 14, 1963.

—Ever remembered by his wife and family. 36-1p

BUCHAN—In memory of a dear father and grandfather, Jim Buchan, who passed away April 10, 1966.

In tears we saw you sinking,  
We watched you fade away.  
Our hearts were surely broken,  
You fought so hard to stay.

But when we saw you sleeping,  
So peacefully, free from pain,  
We could not wish you back,  
To suffer that again.

—Ever remembered and sadly missed by Allan, Elaine and family. 36-1x

## Teacher Housing

(Continued from Front Page)  
Smith for approval to erect a motel on Pt. S.W. 4-17-24-4 be recommended to the Provincial Planning Director.

A request from the Vulcan Centennial Committee for extra funds was tabled until the April meeting.

Mr. Thurber reported on school matters, among which was the agreement with Mount Royal Junior College. It was moved and carried that the County of Vulcan enter into an agreement with Mount Royal Junior College and that the Reeve and Secretary-Treasurer be authorized to execute the agreement on behalf of the County.

It was moved and carried that the County of Vulcan ask for representation on the committees which administer the Mount Royal Junior College and its curriculum. By-Law No. 609, a by-law of the County of Vulcan No. 2 to authorize the cancellation of certain uncollectible taxes, was introduced and read and passed the required three times.

By-Law No. 611, a by-law of the County of Vulcan No. 2 to authorize the leasing of Pt. N.E. 5-17-16-4 to the Lomond Grazing Association, was introduced and read and passed the required three times.

By-Law No. 612, a by-law of the County of Vulcan No. 2 to authorize the leasing of Block Z in the N.W. 10-17-17-4 to Viola K. and Edward Corkish, was introduced and read and passed the required three times.

The matter of the crossing at the S.E. 16-19-25-4 was discussed. It was noted that the Board of Transport Commissioners advised that the Board was ready to order the railway company to construct the crossing provided the County would pay the cost and the upkeep in the future. Also mentioned was the matter of moving the telegraph poles.

It was moved and carried that the Secretary-Treasurer be instructed to write to the Board of Transport Commissioners stating that the County of Vulcan feels that the Board should order the railway company to construct the crossing at its own expense as this crossing was on a recognized and surveyed road allowance. The County of Vulcan would, however, move the telegraph poles at its expense as a contribution to the cost of this project.

The Secretary was instructed to write to the Board of Transport Commissioners advising that the County of Vulcan had no objection to the station building being removed from Milo.

By-Law No. 598, a by-law to authorize the establishment of a recreation area in the Milo district, was read a third time. It was moved and carried that By-Law 598 pass its third and final reading.

It was moved and carried that the following Farm Purchase Board Applications be approved: Jacob Heide, N ½ 7-18-25-4; John E. Hunter, S ½ 7-18-25-4; Allan Thomas, E ½ 1-17-22-4; Allan J. R. Welsh, Pt. E ½ 15-17-26-4.

Mr. Haga, Chairman of the Municipal Committee, reported to the Council on matters in respect to the Public Works program for this year and plans for continuing paving and other matters.

Mr. R. S. Irwin, Director of the Blackie Seed Cleaning Plant, reported to the Council in respect to the Blackie Plant operations, and told of plans to erect a new plant. Mr. Irwin wanted to have an expression of opinion from the councillors as to whether the County of Vulcan would make an additional contribution to the cost of the new building. This matter

## THE HOMEMAKER

MISS FRANCES ANN CULLEN

District Home Economist

Box 480, Vulcan — Phone 485-2117

Dear Homemakers:

Once again it is Spring Clean-up time and most of us are thinking about painting as part of this yearly clean-up period. I thought that maybe some hints on the different types of paints might be of help, so I have taken the information from the Consumer Report — 1967 as a possible guide.

## INTERIOR LATEX PAINTS

In the past, most paints did not equal alkyls in appearance, nor in hiding power when applied with a roller. However, in the latest project, there were several that equalled in overall quality the best alkyls, as well as the best latexes, ever encountered by CU or its consultants. Thus the good appearance and hiding power characteristics of alkyls are found in some paints possessing all the attributes that have made the water-thinned latexes more popular.

All the paints tested could be used without a primer on plaster, wall board, and masonry. You can use them to give newly plastered walls one decorator coat because water will evaporate through them. But the plaster should "cure" for several months before applying a second coat. Plaster patches and other non-uniformities in porosity can usually be adequately covered by these paints.

Never apply flat interior latex directly over raw wood for fear of raising the grain; apply a primer-sealer coat first. CU would advise against painting over wallpaper with latex; colors may bleed through and the latex will make it much harder to remove the wallpaper if you ever decide to.

Labels tend to be overly optimistic about latitude in clean-up time; wipe up drips and splatters within half an hour, using a detergent—or soap-soaked rag or sponge. Don't scrub walls vigorously until several weeks after painting.

Otherwise, follow label instructions carefully. Roughen enameled or other non-porous or smooth surfaces by sanding, or washing with a strong cleaner, or else the roller may skid (brushing such surfaces may be a better idea anyway) and the paint fail to adhere well.

For further information about the better Interior Latex paints,

HELP! Although the lake is here this is not one of those slides often found at lakeside swimming pools. It's a slide at the Hazel Cameron Elementary School playground and about three weeks ago most of the play area north of the school was under water. This

much water so near at hand was the kids' idea of how a school should be run. For parents it meant several changes of clothing a day and teachers must have kept a close check on the room register to be sure none of their charges had fallen in and not made

it to the surface.

### BLACKIE

Miss Jean Southgate, nurse in training at St. Michael's Hospital in Lethbridge is presently on a month's holiday.

Mr. and Mrs. Art Johnston and Mr. and Mrs. Alex Paul have returned from an extended holiday spent in Arizona and other parts of the United States.

Sympathy is extended to Mr. and Mrs. Walter Wilderman on the passing of Mrs. Wilderman's father in a Calgary hospital. Sympathy is also extended to Mr. and Mrs. Milo Stier on the passing of Mrs. Stier's sister Mrs. Florence Wells

of Calgary.

Mr. and Mrs. C. Kumlin and Mr. and Mrs. Jim Ririe motored to Cochrane Saturday evening to help Mr. and Mrs. Len Kumlin celebrate their 25th wedding anniversary.

### FAREWELL PARTY HELD FOR MR. and MRS. LEW BRACKLEY

Over 70 friends of Mr. and Mrs. Lew Brackley gathered at the IOOF Hall Friday evening for a farewell party held in their honor.

High winners of whist were Jim Stier and Edna Weber. Low prizes went to Gordon Howden and Marie Groeneveld. Dorothy Paul favored everyone with, May You Always, accompanied by Peggy Montgomery. Richard Percifield on behalf of their friends presented Mary and Lew with a chest of silver and money gift. Mary's mother Mrs. Perrie of Innisfail was present for the evening.

The Brackleys are well known and lived in the community for many years. They have now sold their farm and will be moving to their new home in High River in the near future.

### MILO COUPLE WIN TRIP TO LAS VEGAS

The Las Vegas night carnival and dance was held at the Blackie Community Centre March 31, with over 450 people attending. Sponsored jointly by the Blackie Lions Club and the Blackie Chamber of Commerce and Agriculture, the evening was declared to be a complete success. The trip to Las Vegas and \$150 in spending money was won by Mr. and Mrs. Len Comeau of Milo. The lucky couple were presented with the spending money all in Canadian Centennial silver dollars provided by the Royal Bank at Blackie.

The evening included dancing upstairs in the beautifully decorated hall and games of chance downstairs amid decorations in the Las Vegas style. The Ladies' Community Club provided the necessary food in the form of barbecued beef on a bun with all the trimmings.

Mr. and Mrs. Earl Clingman, long-time residents of the Blackie district were crowned King and Queen of Las Vegas Night.

### QUEENSTOWN

The United Church Sunday School classes were started on April 2, with Mrs. Sheila Long as superintendent.

J. Lawrence (new Pioneer Grain agent) wife and daughter have moved into the Pioneer house. The community welcomes them to the district.

### BERRYWATER

#### F.W.U.A. MEETING

The monthly meeting of the Berrywater FWUA was held at the home of Mrs. J. Gerding. Twelve members and two visitors answered the roll call with "Do you see value in credit buying?"

There is to be a quilting at Helma Sharps on Wednesday, 12th, anyone having wool suitable for tying bring it with you. Several names were sent in for Centennial awards trip to Eastern Canada. Mr. Husby, the C.C.H.S. Principal gave a very informative and interesting talk on "Drop-outs," followed by a question period.

The next meeting will be in the evening at the home of Mrs. Clifford Webber.

#### W.I. MEETING

The April meeting of the WI was held at the home of Mrs. Jesse Lahd. Seven members and one visitor answered the roll call by telling a joke.

Plans were made for the final card party of the season which will be held on April 12. As usual supper will be served at this party before cards. It was decided that a letter be written to the County to ask that all the old unsightly buildings be either demolished or moved as they are not only an eyesore but a hazard as well.

All the quilt blocks have been turned in for the Unitarian Service quilt and all the members will meet at Mrs. O. Lahd's on Tuesday, April 11 to put it together and tie it.

Mrs. Marion Henry and Mrs. Gladys Elder were presented with their centennial birthday presents. Mrs. J. Lahd read an interesting article on the WI and Mrs. G. Elder gave her report on handicraft.

Mrs. Lahd served a lovely lunch to end a pleasant afternoon.

### KIRKCALDY

Miss Lorna and Miss Marjorie Jones returned home from Calgary Saturday with their parents, Mr. and Mrs. Arthur Jones, after having been guests of Mr. and Mrs. Jim Kettleson for the Easter holidays.

Mr. and Mrs. Stan Comstock attended the Alberta Wheat Pool ladies night in Lethbridge on Saturday evening held in the Star Dust Roof of the El Rancho Motel.

Mr. and Mrs. Bob Cutler attended a reunion of the GardenPrairie Women's Club at Barons on Saturday evening, where the members, as a Centennial project, entertained former members and their husbands at a social evening.

Mr. and Mrs. Gary Adams spent the Easter weekend with the former's parents, Mr. and Mrs. Ivan Adams.

Mr. and Mrs. Bert Maisey were Lethbridge visitors on Saturday where they were guests of their son and daughter-in-law, Mr. and Mrs. Darrel Maisey.

Mr. and Mrs. Wayne Scobie and family were Sunday visitors at the home of Mr. and Mrs. Morley Scobie.

Mr. and Mrs. Henry Todd renewed acquaintances in the district last week.

Mr. and Mrs. Blaine Middleton went to Calgary on Monday to meet other Alberta Wheat Pool delegates and to tour the Alberta Wheat Pool Building and the fertilizer plant in the city.

services held the following day at the Garden Chapel. Interment was at Anastasia Cemetery, Shoultice, Alta.

## YOUR CHILD'S PROGRESS

One of a series of articles written for The Advocate by Marie Desharnais, Public Health Nurse, The Foothills Health Unit.

### Growth and Development

How your child progresses in growth and development will depend on a lot of factors such as racial background, family traits and climate. They determine not only how fast he grows but also how he develops. We know from observation how much children differ in body shapes and sizes. Some grow rapidly while others grow very slowly. Such differences are normal and to be expected in healthy children.

Obviously then, tables which give heights and weights for different ages do not tell the whole story. The child who is taller and heavier, and the child who is short and weighs less than the "average" as given in the table may be developing quite normally. Rather than try to bring your child into line with a stated "standard", the aim should be to make sure that he is getting the proper food, rest, affection and freedom of action that are all necessary for his good health. Then his growth and development are sure to be right for him.

The first year of life is the period of most rapid growth for all types of children. The majority will triple their birth weight and increase about eight inches in height by their first birthday. Dur-

ing the second year, the increase in weight and height is about half of that in the first year. After the third year, a regular rate of gain in weight of about four to five and a half pounds and an increase in height of about two inches a year up to puberty may be expected. Once again — some children grow faster and others slower.

Greater London, including the 28 metropolitan boroughs, comprises 443,455 acres. The original old city consists of 675 acres.

## No nagging backache!

She used to be bothered by backaches and tired feeling. When she learned that irritation of the bladder and urinary tract can result in backache and tired feeling, she took Dodd's Kidney Pills. Smart girl. Dodd's Pills stimulate the kidneys to help relieve the condition causing the backache and tired feeling. Soon she felt better — rested better. If you are bothered by backache, Dodd's Kidney Pills may help you, too. You can depend on Dodd's.

### Partners In Health

For second opinion on diagnosis and emergency treatment, first-aid team at bedside sends patient's heart tracings to hospital experts in cardiology, through 'phone.

It takes partnership to win for health. Here an emergency team at bedside and a team of heart specialists in a European hospital are the partners.

In this case, the bedside team seeks a second opinion on both diagnosis and emergency treatment for its patient, suspect of serious thrombosis. An on-the-spot consultation is made possible through a 2-lb. apparatus connected to both a portable electrocardiograph and a telephone.

The device, the small, boxy object on the table, transmits the cardiogram to receiver units in the hospital. This permits a double-checking of the emergency

diagnosis, rapidly made through necessity, by a team of cardiologists, seen at right poring over duplicate heart tracing.

To make the point that it takes all kinds of medical skills to save lives, the World Health Organization has selected "Partners in Health," as the 1967 World Health Theme.

The aim throughout the year is to make better known to young people career opportunities in health, and to call attention to the world's medical manpower shortage — not just of physicians, but of all members of the allied health profession.

Two small girls were playing together one afternoon in the park.  
"I wonder what time it is," said one of them.

"Well, it can't be four o'clock yet," replied the other with magnificent logic, "because my mother said I was to be home at four—and I'm not."

**PIGGY-BACK.** Some idea of the amount of spring run-off experienced around the town and country is given by these school children testing the depths of the lake formed at the playground at Hazel Cameron Elementary School. By now most of the town is near

normal but there seems to have been a constant cycle of melting snow, mud, more snow, more mud since mid-February. Although interested in adding life to the photo the above youngsters from the left, Lawrence Hansen, Kenny Clark-son, Marla Franks, Bobby Franks,

Bev Klippert, Ila Faye, Turley and Gordon Johnston were a little worried at the reaction when their parents saw them in action. We trust proper compassion will be shown in this instance.

## Fish &amp; Game

(Continued From Front Page)

Ruark farm 10 miles north and five miles west of town, was surveyed last year and since then Dave has raised the level of his dam, from which the lake is formed, giving it an area of over 17 acres and a depth of up to 16 feet. Yearling trout will be planted but the quantity is unknown. In the 1966 survey food conditions for growth were considered ideal and trout planted this spring should reach the one pound size by late summer. The local Fish & Game group will assist in posting the area with signs and setting up controls to protect the interests of the land-owner.

Two hunter-training classes have been run since Christmas. Thirty-four Champion and district enthusiasts took a course at Champion while 14 students enrolled in the Vulcan course. Exam returns have not yet been received.

The sheep trophy which has been two years becoming a reality, was presented at the meeting by president Dan McNiven to Roger Jensen who won it last year. It was donated by Carl Nelson, a Champion member, and Howie Marshman. A new trophy, making a total of 14 now in circulation, is one for bear and is sponsored by Robson's Theatre Ltd.

Reports of the winter Alberta Fish & Game Convention were reviewed and as entertainment Glen Dahl showed slides of past year's hunting and fishing trips.
